Dear Mother + Dad,

I weighed myself again and I weigh 170 that is a 10 pound gain since I came out here. When I put on about 10 pounds more then I will stop. We killed potatoes most of the day and stacked hay some this afternoon. Paul said to tell you he is taking a bath now and then. We have a place to swim in the creek by a beaver dam. It is pretty good but it could be better.

Sunday we are going to take a trip up to King's Hill about 75 miles up in the mountains. We are going to take 6 fried chickens and 6 qts of ice cream with us.

We were up to our camp last Sunday to look things over and found every thing O.K. I think starting next week two of us will go up to camp for a week and two stay to help with the hay then change weekly.

we are going to be quite a long time get on the hay and we want to be up at camp as much as possible. We will be at least three weeks longer on the hay then there will only be about two weeks left befa we start home.

I got the \$5 and sometime you can send me \$5 more. I am sending the pictures back and I think they sure are good. Where is the one of Dad, Grandpa, and me?

We had black figs for supper and they were good. See if you can get any there. They are only 12¢ a pound out here.

We have seen deer tracks right out by the garden which is just a little ways from the house so you see they come close. It will sure sure funny at home where you wont be able to see any distance. Even from the the ranch which is in the valley you can see 50 or more miles away.

I hope you had a nice trip and I am waiting to hear about it.

your loving son,
Fred.
