Dear Mother + Dad,

I was sure sorry to hear about Mrs. Riley. I will miss her very much. What are Peggy + the Riley going to do? Is he still carrying the papers?

We received the newspapers that Dad sent and enjoy them very much. you don't need to send any more because we won't be here much longer. We came down to the ranch last night and stayed all night.

Yesterday afternoon we took two of the neighbor ladies up to show them our camp. They enjoyed it very much and thought we had a very nice place. One of them gave us a big coffee cake covered with apples. We will have it for tomorrow morning. They have both given us garden vegetables and one lady has given us lots of shubarb. We are coming out fine on our food probably will have a little left over.

I was in Martinsdale the day I mailed you the Special Delivery letter and on the way out

I had another blow out. I went to Sears + Roebuck the same day for two new tires + tubes \$18.00. I would have to buy new tires when I got home anyway. I now have 3 new tires and I will have a good spare and may carry an extra casing and tube along. This country is death on tires. The car is running fine and I don't believe we will have any trouble on the way home.

The freight rate is \$4.30 per 100 lbs. I am going to send everything I can. It will take from 6 to 8 days for the freight so it will come home almost as soon as we get there.

Gordy and I took a long hike yesterday morning and found 4 caves and a big rock cliff with a drop of about 150 ft straight down. We saw two deer and they just walked up the hill opposite us and we didn't seem to bother them.

We are going to break camp Wednesday morning, come down to the ranch and pack all the things we are going to ship. We will take them into Martinsdale then pack the car and get ready to leave early Friday morning. We will spend Friday night in the park and leave the park sometime Sat. We are going to telegraph Mr. Mack from Rapid City. We will probably get there Sunday night or Mon morning.

I hope you sent the camera and I will write a letter just before we leave.

It won't be long until we will be home.

Your loving son  
Fred
